* To gain access to the Questar GasCard Reader, press "start" then code "9150" and "enter"; then follow normal GasCard procedures. Push red button to exit building.

USE CAUTION: FOLLOW THESE STEPS WHEN FUELING YOUR NATURAL GAS VEHICLE.

1. Remove Fueling Nozzle From Dispenser.

2. Connect Nozzle To Vehicle, Listen For Audible "Click" To Insure Nozzle Is Securely Connected.

3. Authorize Fueling By Running Fuel Card Through Card Reader.

4. Move Lever On Dispenser To "On" Position.

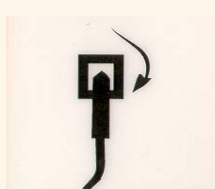

5. Turn Filler Valve On Slowly.

6. When Fill Stops, Move Dispenser Lever To "Off" Position.

7. Turn Filler Valve To "Vent" Position.

8. Return Fueling Nozzle To Dispenser.
